

## PRODUCT SPECIFICATIONS

# Blyott GPS Tracker BT-GPS1

## Seamless, precise outdoor asset location tracking

Experience unparalleled control and visibility over your assets with the Blyott GPS Asset Tracker.

Our comprehensive solution seamlessly integrates cutting-edge hardware, global connectivity, and a robust cloud platform for efficient and intelligent asset management.

**Track assets in real-time during warehousing, transportation, and logistics, with automatic alarms for abnormal condition.**

Designed for intelligent asset management, the Blyott GPS Tracker features a 4G CAT-M modem, 5-year battery life, and an accelerometer. Optional sensors adapt to diverse needs, while the all-in-one package includes a 5-year SIM card for continuous EU and US data connectivity.

The Blyott Cloud Platform and 5-year licenses facilitate fleet management with geo-fencing alerts and an intuitive dashboard.

Easy to install and IP68-rated for harsh environments, it ensures up to 5 years of standby monitoring for multiple assets. Stable connections and flexible configurations cater to cost-sensitive applications, providing complete control over valuable assets.

*The BT-GPS1 is designed for intelligent asset management with built-in sensors that adapt to diverse needs. Ideal for outdoor location tracking, too.*

### Highlighted use cases

- ✓ Track expensive medical equipment (ambulances).
- ✓ Track containers and vehicle fleet (construction, logistics).

# All specifications BT-GPS1

## General

Battery reference	7800 mAh (lithium thionyl chloride batteries)
Battery lifetime	Up to 5 years
Connectivity	Built-in 4G/LTE CAT-M modem
Sensors	Sensors: GPS and accelerometer (movement)

## Physical

Dimensions	138 mm / 5.43" (width) × 72 mm / 2.83" (length) × 22 mm / 0.86" (height)
Colors	Black

## Chemical and mechanical

Operating temperature	-20°C to +70°C / -4°F to +158°F
Environmental and chemical properties	IP68

## About Blyott

Blyott is at the forefront of transforming industries with innovative localization and monitoring solutions. Our platform integrates advanced data analytics and AI, supporting various sectors to navigate operational challenges, enhance efficiency, foster staff well-being, and achieve sustainability goals.

### EASY TO SET UP

Works in a matter of minutes.

### SCALABLE

Scale to millions of assets.

### PAY-AS-YOU-GROW

Custom plans are available.

### OPEN STANDARD

Integrate using REST APIs and webhooks.
